Ref to: Truthfinder Dear Truthfinder, it has recently been discovered that my internet domains content dataset has been included to your truthfinder background check reports for the "related links" section for the internet domain of "fuckeduphuman.net". This makes the status of this internet domain a valid information society reference. There is evidence proving contained in this folder referenced in this report for a Sergeant Lanier Joseph Rogers III, San Bernardino Police Department. Please keep that in mind in future requirements to comment onto background reports involving content links contained to datasets that need to be specifically handled by their name ID owners to resolve a matter of dispute, concern, or matters of a grave offense. Thank you. ----
 - Dear Sergeant Lanier Rogers III: If you perform a google search for your name as it is shortened here: [Sgt Lanier Rogers], you will find that references to an ATTN: Sergeant Lanier Rogers III comes up in topmost google matching documents. It is a PDF. The full URL is being provided here in case you decide to hire some kind of reputation defending company to try to push down these results over all other results that the public might be interested in knowing about you. #1 return URL: [http://persons.fuckeduphuman.net/Lanier.Joseph.Rogers.III/Terran%20Imbalanced%20Interpersonal%20Relations.pdf] #2 return URL: [http://persons.fuckeduphuman.net/Lanier.Joseph.Rogers.III/] That is all I needed to note here. Thank you Truthfinder for the quick application to approval of this comment. I will have a copy of these notes for my own records.
